B3LAB Newsletter N°10

November 2023

Dear B-cubici,

If anyone is missing from the B3LAB mailing list, please contact stefania.coelli@polimi.it!

CHEERS

News

Congratulation to **Anna Corti** and **Lorenzo Gianquintieri** for their new position (Junior Researcher) in our group!!

Prof **Enrico Caiani** has been invited @ Panel Debate "I settori hi-tech in Italia: leva di sviluppo per il Paese", fondazione ASPEN, Milano 27/11/2023 and to be part of the jury for the prizeo "AboutPharma Digital Awards - 11° Year"

Vice-President-Elect, Conferences Nominees

Riccardo Barbieri, Politecnico di Milano

BIO:

Dr. Riccardo Barbieri received the M.S. degree in Electrical Engineering from the University of Rome "La Sapienza", Rome, Italy, in 1992, and the Ph.D. in Biomedical Engineering from Boston University, Boston, MA, in 1998. He is currently Associate Professor at the Politecnico di Milano. His broad research interests are in the development of signal processing algorithms for the analysis of biological systems, focusing on A.I.-based computational modeling of neural information encoding and characterization of cardiovascular control pathophysiology in clinical and non-clinical environments. He is author of more than 200 peer-reviewed publications in these fields since 1994 (h-index 38). Dr.

Prof **Riccardo Barbieri** has been nominated to participate at the **Vice-President-Elect, Conferences Nominees of the IEEE EMBS**.

Stefania, Pierluigi and Marta are looking for volunteers for their study “**MUSA-spoke 2-WP4: Validazione di dispositivi wearable per l’acquisizione di parametri fisiologici durante attività motoria**”

If you’d like to participate, contact us!

Events

GIVITI critical care datathon has been a success, congratulation to all the participants!

https://www.linkedin.com/posts/giviti-gruppo-italiano-per-la-valutazione-degli-interventi-in-terapia-intensiva_datathon-ugcPost-7133762595555033090-5Mzc?utm_source=share&utm_medium=member_desktop

30/11 e 1/12, Prof. Caiani, Yijun Ren, Riccardo Gibello and Antonella Lombardi, presented at Palazzo Regione Lombardia for the final stage of Premio Nazionale Innovazione with their proposal **MONIMEDS**

Conference

E. Caiani, Sarah Solbiati and Andrea Carpi, will participate at the Workshop "AR/VR for Space Programmes 2023", ESA-ESTEC, 11-12/12/2023, with the presentation "Measuring physiological parameters through head-micromovements by the VR/AR headset for user bio-feedback and adaptive experience
